OLD SPANISH CUSTOM TRIED

A Celebrating Coveloite Unintentionally Shot Out The Lights

(Special Correspondence of The Press)

COVELO, Jan. 6.—The recent long continued cold weather began to moderate Wednesday, with rainfall Wednesday night, giving the valley the heaviest rain of the season. Precipitation continued intermittently up to Saturday morning, taking frost out of the ground and starting grass and grain.

Goes Back To Classes.

Miss Helen Hogshead, who has been here for the duration of the mid-winter vacation visiting her parents, Dr. and Mrs. J. S. Hogshead, returned to Burlingame Saturday to assume her duties as teacher of history in the high school there. She was accompanied on the motor trip out by Carol Handley, who will go on to Berkeley to take up his studies at the University of California.

At The Capital.

Mr. and Mrs. G. M. Biggar left New Year day for Sacramento, Mr. Biggar expecting to arrive in time for an important road conference Friday. He will, of course, remain for the legislative session and take his seat as assemblyman from this district. Mrs. Biggar expects to be away four or five weeks.

Back From Test.

The group of Covelo young folks who were in Ukiah the first of the week, writing the teachers' examination, returned Wednesday night. Those in the party were John English, Misses Alta Hill, Edna Hagne, Marjorie Caldwell, and their teacher, Mrs. D. T. Johnson, and little Betty.

Dared The Elements.

The New Year Eve dance at Hotel Covelo was well attended despite the downpour of rain which continued most of the night. Music was furnished by home talent, Messrs. Alvin Osborn, Archie Moore, Harold Tuttle and Mrs. Alma Lovett. The evening that had been so happily uneventful up to midnight was disturbed by the lights going out. Supper was just being served and there was a scramble for illumination. A couple of coal oil lamps were found, but, of course, did not fill the need. Flashes were used and, finally, someone brought two Coleman lamps and the gayety of the evening proceeded as before. It seems the breakdown service was caused by some enthusiastic New Year reveler in the south part of town shooting into the air to announce the advent of 1931 and inadvertently cutting a light wire with the bullet. Service north of the point was uninterrupted but all the lines south of that point were put out.

Mrs. J. L. Dunlap and family enjoyed a week-end visit from her cousin, Roy Cummins and wife, of San Francisco. Mr. Cummins, who is a son of the late George Cummins, is a former Covelo boy, who is making good and former friends are always glad to welcome him back and wish his visits might be longer. He is superintendent of construction with a steel contracting company.

Mr. and Mrs. Lewis Hurt and baby daughter, of Eureka, returned home Monday after visiting over the Christmas holidays with their parents, Mr. and Mrs. Tod Hurt and Mr. and Mrs. J. L. Dunlap and families.

Harry Haydon, accompanied by his niece, Mrs. Dallass Lovell Winters, and Mrs. Lois Winters motored to San Francisco Friday where the ladies expect to pass several days visiting, sightseeing and shopping.

Elva Caldwell went to San Francisco Monday to have a session with his dentist.

Mr. and Mrs. Evan Rohrbough and daughter, Myrtle Catherine, left Saturday for Coronado where they will visit Mrs. Rohrbough's sister, Mrs. E. H. Quinlan and Lieutenant Quinlan.

Mrs. Peyton Weir, of Willits, who has been visiting her daughter, Mrs. Solon English, and son, Roland Squires and wife, returned home Tuesday. Roland Squires and Solon English motored down with her.

C. A. Foster drove to Eureka Monday on business, returning the same day.

Mrs. Mal Conner went to San Francisco New Year's day to visit her daughter, Mrs. Henrietta Fairbanks, and other relatives.

Joseph Long came up from the University of California Friday to pass a week with is parents, Mr. and Mrs. Ed Long and the family.

Mr. and Mrs. Cecil Moss and J. M. McCustion, of Geyserville, came up Wednesday for a few days visit with Mr. and Mrs. Elmer Bucknell.

Miss Alice Lowry, of Eureka, arrived Saturday evening to visit Covelo relatives, including the Truman Lowry and J. B. Bellatti families and Mrs D. T. Johnson and Betty. She expects to remain about a week.

Abe Barnwell, of Eureka, and mother, Mrs. M. Barnwell, of Willits, passed the week-end at the Tod Hurt home.

Everett Dunlap returned to Iverness Sunday after an over-Christmas visit at the paternal home. Harold, who is also here, will remain until about the tenth before returning to Davis.

Mr. and Mrs. George Montgomery and Harold and Joe are enjoying a visit from Misses Mary and Helen Montgomery, of San Francisco.

Miss Shirley Rohrbough returned to San Francisco Friday to resume her studies. She will visit a few days with her sister, Mrs. Fred Carfagni, before the opening of school.

Martin Houck, of Oakland, arrived Tuesday to visit his grandmother, Mrs. Mal Conner, and family.

Forest Ranger F. O. Long, accompanied by Mrs. Long and their daughter, has returned from an auto trip which included Sacramento, San Jose, Roseville and points between. He came back driving a brand new coupe.

Red Cross Meeting.

Announcement is again being made of the Red Cross meeting at Hotel Covelo Saturday evening. The public is invited.

Choral Practice.

The choral section of the C. W. I. C. will meet at the auditorium Saturday afternoon at 2:30 for practice. It is important the full membership be present.

Missionary Socky Met.

A most enjoyable afternoon was had at the home of Mrs James O'Farrell Friday when the Missionary section of the Dorcas Aid of the Presbyterian church met for its New Year session. Mrs. H. L. Burnham led the prayer service, in which she included a very interesting story of how she earned some missionary money when a child. The lesson subject was "India Looks To Her Future," with Mrs. J. L. Dunlap as leader, who presented the salient points most interestingly. Illuminating reference was made to the round table proceedings in England to assist India to solve her present as well as future problems Special music was furnished by Mrs. J. S. Rohrbough and Mrs. Geo. Goforth, with Mrs. Roland Squires accompanying on the organ. Letters had been received from Mrs. George Barton, of Vallejo, formerly of Covelo, and from Mrs. Glunz, a missionary stationed at the Silliman Institute, Philippine Islands, who also was a resident of Covelo 10 or more years ago. The leader also referred to a letter from Mrs. May Meeker, now a missionary in India. Another interesting feature of the program was the reading of New Year resolutions in competition for a prize. Each lady present told of her high resolves for 1931. The first prize was awarded to Mrs. J. S. Rohrbough for the following: "Resolved that we be like a bundle of sticks; keeping together so that we cannot be broken and become weak and unable to accomplish the things we want to do." The second prize went to Mrs. John Perry, who said: "My New Year resolutions are: I will endeavor to attend all meetings that are for a good and worthy cause, will try with all my power to make 1931 a far better year than the past 1930; to always, if possible, respond by helping in every way that I can for the benefit of others and every Christian organization." The judges were Miss Helen Hogshead and Mesdames Bellatti and Goforth. The first prize was a very pretty pillow and the second prize was a box of handkerchiefs.

Those Who Entertained.

The hostess and assistants, Mesdames Rice and Perry, served delicious refreshments of hot rolls, marmalade and tea, after which the chairman of judges declared she should have had a prize for eating the most rolls. A collection of $5 was taken for missions. The next meeting will be the last Friday of January at a place to be announced later.

Ladies Public Spirited.

The Covelo Women's Improvement Club met at the auditorium Saturday afternoon. President Adelaide Rohrbough being out of town Vice-President Mrs. Jane Bellatti presided. "America" was the opening song, with Mrs. Catherine Johnson at the piano. Owing to the strenuousness of the holiday season, there was no special program arranged for this meeting. Among important items of business was the donating of $10 toward raising the $200 necessary to complete the fund for purchasing the airport site. It was also voted to pay Mrs. Hegley $10 for the extra footage she gave off the corner of her lot when the street was widened at the schoolyard corner. After other matters of business the meeting adjourned until January 17, at which time the welfare committee, Mrs. Iris Hill chairman, will have charge and will give a tea, the proceeds of which will be devoted to welfare work in the county. An admission fee of 25 cents will be charged which will include an interesting program and refreshments. The public will be invited.

Brother Passed Away.

Nat Squires went to Cordelia Tuesday to attend the funeral of his brother, Emery, who passed away Saturday, December 27, at the Fairfield Hospital, never having recovered from the shock of the accident in which both legs were broken about two months ago. Emery Squires formerly lived in Covelo and will be remembered by the older residents, although he had lived in Cordelia a number of years. He leaves, to mourn his passing, his wife and son, a sister and brothers and many friends who sincerely sympathize with the bereaved family.

A. D. Shortt's Trip North Ended Nicely

A. D. Shortt returned last week from Portland, where he was called by the serious illness of his sister, Mrs. E. L. Armstrong, who was on the coast on a visit. At the time Mr. Shortt started north, his sister was gravely ill with pneumonia; happily, however, a turn for the better was taken and Mr. Shortt left the ailing lady well on the road to recovery. Mrs. Shortt, who was to have gone to Portland with her husband, was at the time of Mr. Shortt's departure so sick with a heavy cold fears were she could not undertake the journey, hence Mrs. Shortt remained at home.

Recall Fiasco Was Looked On As Joke

The Willits News has the following: "The reported attempt to start a recall petition against Supervisor Ford in Ukiah last week apparently died before it got started. Instead of having plenty of signers, it appears the petitions were withdrawn with practically no signatures. Supervisor Ford's friends in Ukiah did not take the matter seriously and felt that, even if the move were carried out, Supervisor Ford would prove an easy winner, as he is still one of the most popular office holders in the county.

WARNS PUBLIC

DR. GRACE KIRKLAND, M. D., well known woman doctor, warns against continued use of drastic purgatives.

"Ten years medical practice has convinced me that persons suffering from functional debility as indicated by pasty complexion, faulty digestion, poor assimilation, chronic or occasional constipation, acidity, gas, unrefreshing sleep, nervousness, biliousness and toxic headaches, should shun the frequent use of calomel, salts, oils or other drastic habit-forming purgative drugs.

"After observing the action of Sargon and Sargon Soft Mass Pills in a great many cases I feel free to say I have never seen a formula as uniformly effective as the Sargon treatment for the disorders mentioned above. I have seen countless cases of wonderful results from the use of Sargon, and I consider it a real privilege to recommend this remarkable treatment."

Dr. Kirkland is a resident of Atlanta, Ga.

Chevrolet wins first place for the fourth time

First place at the National Automobile Shows—a position awarded on the basis of annual sales volume—is again awarded to Chevrolet.

This is the fourth consecutive time that Chevrolet has achieved this honor. And the reason lies in the exceptional value which Chevrolet cars consistently provide.

This year, in its bigger and better Six, Chevrolet is offering an outstanding example of the value which has brought it such record success.

In fact, no previous Chevrolet car has ever represented such a high degree of quality and advancement, and sold at such low prices as today's Chevrolet Six.

Two Dos Rios Men Injured In Wreck

Martin Hauke and Henry Lieberman, prominent residents of the Dos Rios section, had a narrow escape from serious injury Monday when their light truck skidded off the highway a short distance north of Willits and turned over. They were bringing a load of hogs to Ukiah and lost control of the car in the fog near the Simonsen corner, Willits. Mr. Hauke was badly cut about the head and both had numerous bruises and contusions, none of which should be serious. They were treated at the Frank R. Howard Memorial Hospital, Mr. Hauke remaining until Tuesday.

Hard Fought Basketball Game Carried Away By Visitors Friday

In a fast game from start to finish the Ukiah high school unlimited basketball quintet was nosed out by the Piedmont high school casaba shooters on the local high school court Friday night. The final score was 23 to 22. The game was one of the most exciting held on the local court for a good many years. Both teams played hard and clever basketball and Ukiah's inability to locate the bucket in the early stages of the game spelled defeat for the local lads. The Ukiah boys worked the ball to the basket repeatedly at the start, but the ball just would not go in.

The Two Stars.

The game was clean and both teams played until they were just about exhausted. For Ukiah, Poma and Ciancio tied for high point honors, with seven each, while for Piedmont, Lalor and Chase tied with eight each.

U. C. Is Here Next.

It seemed a shame so many fans missed such a splendid game. Ukiah has an excellent opportunity of winning the rest of its games. The next game to be played at home will be against the University of California 130-pound team January 17. Next Friday Ukiah plays Upper Lake at Lakeport and on Friday, January 16, Ukiah meets Hopland at Hopland. In a preliminary game to the Piedmont contest the Ukiah B team lost a hard battle to the Hopland unlimited team by the score of 18 to 14.

GARRY BOWEN'S DEATH MOURNED

Passing Of Popular Boy Provoked City-Wide Depression

The whole city bowed its head in grief Saturday morning, when the bells of St. Mary's Catholic church tolled out the last sad rites for Garry Bowen, the lovable lad who grew to manhood here, winning many hearts by his bonny, sunny nature. Death came to relieve his suffering at the Ukiah General Hospital three minutes before the passing of the old year, making heavy many hearts who were waiting for news from the bedside of the stricken young man. Funeral services were held at 10 o'clock Saturday morning from St. Mary's church, which was crowded with the tear-wet floral offerings of countless friends. So great was the fragrant tribute to his memory it was not possible to place all the flowers in the church. Rev. Father Adrian Sharkey, who supervised the lad's spiritual guidance here, officiated at the service, assisted by Fathers Murphy and Carroll.

Many Young Friends in Church.

It was a noticeable fact many of the mourners in the church were of the younger generation, all of whom knew Garry but to love him. The pallbearers were A. T. Henrich, a close friend, William Johnson, classmate, Jack Nichols, Jimmie Cleland, Richard Dickens and Carrol Thomson. Interment was in the Ukiah Catholic cemetery. The funeral was conducted by E. A. Eversole.

Went To School Here.

Garry Bowen was a native of Glasgow, Scotland, where he was born November 8, 1909. He came to California when a small lad with his parents, Mr. and Mrs. Hugh E. Bowen, and to Ukiah about six years ago. He attended and was graduated from the Ukiah high school in 1928, since which time he has made his home here except for a few months passed with relatives at San Mateo.

The Grieving Relatives.

Beside his grief-stricken parents, Mr. and Mrs. H. E. Bowen, of San Mateo, who came here early in the illness of their son and were constantly at his bedside there remains to mourn his untimely passing three sisters, Mrs. J. P. Heaton, of San Rafael, Mrs. Mary Scholl, of this city, and Miss Allene Bowen, of San Mateo.

Had Much To Live For.

Life was full of promise for Garry Bowen. He was a steadfast, loyal friend and his brief life was filled with sweet wholesome pursuits. There are many who are mourning Garry Bowen, some who needed his faith to lend strength and courage to somber days, and to these is extended the heartfelt sympathy of many.

SOLD HIS BAKERY

William Mattern, popular Ukiah business man, last week sold his bakery in South State street to William Gucker and E. Kefer, experienced bakers of San Francisco, who plan to maintain the same high standard of service as that provided by Mr. Mattern, who has made no plans for the future as yet.

Laurel Dell Lady Dies While On Holiday Visit

The death of Mrs. Woodward occurred at Chico where she had gone with her son to pass the holidays with relatives. Pneumonia was the cause of death. Funeral services were held at Lakeport Friday at two o'clock. For many years Mrs. Woodwrd and her son have resided on the old family homestead near Laurel Dell and relatives have the deep sympathy of many in the city in their bereavement.

Youth Was Convicted.

Found guilty of petty theft for his part in the looting of a boxcar on the Northwestern Pacific Railroad at Santa Rosa, Clifford Boges, 13, former Hopland Indian, was sentenced to serve 90 days in the county jail at Santa Rosa last week. Sentence was pronounced by Judge Marvin T. Vaughan, following a trial in which a 14-year-old Indian youth, arrested by police following the boxcar robbery, testified he and Clifford Boges robbed the car of tobacco and canned foods, then stole two bicycles and carried the loot to the home of Clifford Boges' mother, near Treuton.

Belongs In Ukiah.

The younger culprit, who has been detained by Probation Officer W. A. Shulte, is a ward of the Mendocino county juvenile court, and is to be returned to Ukiah, it was announced.

Mrs. Beasley's Brother Died.

Mrs. S. Beasley, former local resident, is being remembered in sympathy here since the death of her brother, Lucian Lowe, who passed away at the Beasley home in Cloverdale last week in his sleep. Mr. Lowe is an uncle of Arthur and Earl Beasley, well known local young men. He was about 68 years old and had resided in California since 1894. Mr. Lowe engaged in gold mining until about six years ago and had made his home with his sister for two years. He had been an Odd Fellow for 35 years and is survived by his mother and three sisters.

Mr. and Mrs. Lester Ellis, of this place, passed Christmas in Lake county as guests of Mr. and Mrs. R. Leuzinger.

GIRL'S STORY

(Continued from Page One)

been guilty of her ruin, this story may break down later on. Sheriff Williams is investigating this feature of the case and will, likely, have the girl brought here to the detention home and she will be questioned later.

Father Not Informed.

In the meantime Mr. Moser has not been advised of this deduction and may not be.

Did His Best.

The unfortunate man, who is said to have five children, the young woman involved in the case being the eldest, has had a struggle to make a living but is declared to have been industrious and to have done his best to keep his little family together.

Want An Investigation.

Mrs. Orin Lynch, the widow of the man killed, insists the story of the girl is not true and that her husband was a victim of a false accusation by the girl and that the report his daughter had been wronged so inflamed Mr. Moser he acted without first verifying the words of his daughter. Both Mrs. Lynch and Mr. Lynch's mother request a full investigation of this feature of the case. The dead man bore a good reputation and there are many who cannot accept the statement of the girl.
